

# Teenage Student Eligibility Disclosure

I am enrolling for:

- The complete program
- Classroom only (must show proof classroom was failed in public school)
- BTW only (must show proof passed classroom in public school – before you start driving)

Information on the permit must match Orland Driving School's records. Students/parents are responsible for this.

Circle what applies to you...

1. I am enrolled in high school and have:
  - passed 8 courses during the previous two semesters, or
  - a signed waiver
  
2. I am home schooled and have:
  - an approved form signed by a parent or guardian
  
3. I have dropped out of school and;
  - are enrolled in or have already completed a GED Program, or
  - passes (8) courses in the previous two semesters prior to dropping out
  - obtained a school administrator's signature

I understand I must meet one of the above eligibility requirements for Orland Driving School to send for a completion certificate. I also understand that Orland Driving School does not issue waivers. Orland Driving School is not responsible if I am ineligible for a license due to traffic violations. Once I am eligible to get my license, I understand that I will eventually have to take the driving test.

For behind-the-wheel lessons, the student must be dropped off at our office/classroom for the appointment. Students will be brought home after all lessons. Management reserves the right to limit the drop off area, and observation time will vary based on where the students live and other factors. An additional fee will be incurred if a student is to be picked up at home for driving lessons. This reduces learning time for the student and others.

I agree: to follow all rules, not to engage in antisocial behavior, not to damage any school property and/or litter. I could be dismissed for such activities without refund of the fees paid. (Use of a laser device is grounds for immediate suspension) I also should not have any cell phone or beeper activated during class. **NO FOOD OR DRINKS ALLOWED IN THE CLASSROOM DURING CLASS.**

I understand the fees involved for this driver's education course, and will pay in full by the last day of classroom OR on the 30<sup>th</sup> day after the start of the course, whichever comes first:

**\$40 fee for late balance payment**

**\$30 fee for each missed driving appointment**

**NSF CHECK FEE IS \$25**

**NO MORE THEN 3 DRIVING LESSONS TO BE SCHEDULED WITHOUT BALANCE PAID IN FULL**
